

Dear Parents,

The math series that the students use has an online component. On this website there is an interactive student edition of their textbook as well as other activities that will help them have a better understanding of the math concepts. Below are the directions for logging into the website.

- 1) Go to www.thinkcentral.com
- 2) Click on the word mathematics and then click on GoMath
- 3) Using the drop boxes enter the following information
 - Country: United States
 - State: New York
 - District: Diocese of Rochester
 - School: Holy Cross
- 4) Click remember my school
- 5) Type in students username: students first and last full name (no capital letters, no spaces, no special characters)
- 6) Type in students password: holy1
- 7) Click on my library. There you will find the activities that your child can complete

If you have any questions, please email Ms. Brownell at tracey.brownell@dor.org

Thank you,
